Independently Published, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Anxiety and depression are often misunderstood conditions that afflict many, many people. In fact, up to one out of three people will be affected by an anxiety disorder or depression during their lifetime. CBD, the non-intoxicating cannabinoid cousin of THC, is proving itself to be an effective anti-anxiolytic and antidepressant and is already helping thousands to manage their conditions and once again enjoy life. A potent calming effect, along with a slew of other health benefits, is why CBD-containing products such as CBD oil have become so popular. This book will explain how CBD works to reduce anxiety and depression, how you can use CBD oil to treat these conditions, as well as...
